We have the seven of cups energy. It's some type of delusion that's about to be destroyed within a relationship for our king of cups. I don't know what the king of cups is thinking, but he's about to find out. He or she, because it's king of cups, but he or she, he or she is about to find out that they are under some type of confusion. They don't know something the way that they think they do. What is this energy?

04

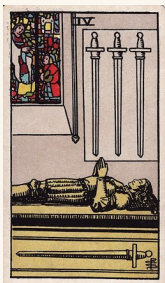

Ten of Swords

Ten of Swords: ending · release

Seven of cups here, and then the 10 of swords. This is crazy. It's almost like this king of cups feel like they have power to end something. They're about to find out that they don't. Like something false is going to come down. Or they think they have some type of pool. They think they have some type of, like they can end something. Like, oh, they can just cancel something, or they can destroy something, but they can't. They don't have that kind of power. What is this energy here? Yeah, and we got to add a sword. We got to add a sword there. They don't have that kind of power. They are actually powerless. They are trapped. And they need to come out of some type of delusion or confusion. 09

The World

The World: completion · cycle closing

And we got the world card here. Somebody wants this to end. It's like they just want control over somebody's emotions. That's what it looked like. Like it's an up and down thing. The first card in this, I mean, in this role was the fourth sword. And the nine of wands is somebody that is really, how can I say, they're really puffed up. And then the seven of wands is somebody defending themselves. And

then the nine of sword, it's like they want somebody in a loop. They want somebody in this lover's loop where they literally control somebody's emotions here. But the world card, which is the last card in the row, is going to close all that out. It's like it's, it really is, it looks like a cycle within a lover's relationship. But the tower is about to destroy that. What is this energy here?

They notice this is a very, it's a positive relationship. It's worth something. It's going to give whoever this is as going in a new relationship is what they deserve.

15

King of Cups

King of Cups: **emotional mastery** · **calm**

Whoever this king of cups is, that's about to, they're about to have their illusion shattered. That right there. Yeah, that's definitely got to happen. Or somebody's going to be in this loop with this person forever. You can't have that. What's this energy here? What's going on here?

17

The Devil

The Devil: bondage · attachment

Yeah, we got the devil. Okay. Okay, the strength versus the devil basically. The strength has to win. The strength has to overcome. Whatever this is is something binding is something controlling is something toxic. What I don't know what the hell is going on with this king of cups. I really don't. They, you know, I don't know. How can I say this? Connection is one thing and love is another thing. People that are so crazy, they will off you and then call it love. Or they'll off you and then off themselves and shit like that. That is not love. That is truly delusion. Love should not make you like that. Not like that. Love is a healing force. Okay, and it grows. It's not, oh, I'm in an abusive relationship and when I try to leave, this person tries to off me. It's not that. That is what this damn devil energy is giving. This devil and his damn king of cups. Yeah, I really do think they have like, they have a problem. They got a mental thing going on or something like that. And there is something that has to overcome this destructive force. There is something and it may be the emperor. It may be because the emperor is bigger than that. The emperor is not below the system. The emperor is the CEO of some shit. It's not below the system. The emperor does not need whatever the devil is offering or whatever kind of delusions or illusions they got or whatever they think they can do. The devil has nothing on the emperor. In this reading, in this reading right here, there's something that can overpower the devil. I am assuming that is the emperor. I am assuming that if it's not the emperor, it's something. It's something that's going to overpower his devil energy and allow someone to leave. It's almost like buying out a contract and allowing somebody to leave so it doesn't keep being a cycle in a relationship. What is this energy? Yeah, we have the will of fortune, energy, yes, and it's going to work. It is going to work, but it's also going to destroy someone's illusion. And I think that could be dangerous sometimes. I'm not saying that it doesn't need to be done. What I'm saying, this person already seemed like they a little bit loose, you know, with the screws and stuff like that. They already seem like that. What is this energy? We have the night of cups, free to love. We have the hangman energy here. And also it's something where they have to surrender to some type of truth. They have to see the truth. They have to gain a new perspective, like somebody is going to leave.

18

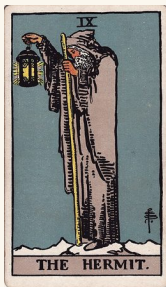

Eight of Cups

Eight of Cups: walking away · seeking

Yeah, eight of cups energy at the bottom, eight of cups, and then it's in a cups. Somebody is going to be able to leave. But this person, whoever that is, they do seem like they're a demon or some shit. Like they're a devil, they're a demon. They're some type of, or they got something latched onto them that makes them like that. I don't know what it is, but that shit got them stuck in an illusion. But everybody ain't got to, I don't know how to say. This is a binding force and they're under some type of illusion. I don't know about that. That's how I don't know very cult like or something like that. I don't know. Like they're not in reality. The things that they want to do or the things that they're trying to do is not like realistic or something. I don't know. Or they own drugs. It's something where it's not clear. It's not clear headed. That's what I can say. It's not clear headed. It's very just like to have control like over a relationship. That's what it's giving pretty much. What is this energy?

The first time I clarified the tower to 7 of cups and 10 of sword came out. And that's how I knew that somebody is about to like their illusion is about to be shattered. Their delusion, their confusion, whatever the hell it is, it's about to be shattered. Whatever control they think they have, it's about to be shattered. Because it's not real. Whatever they think they're doing, it's not real. They don't have that in a relationship. They're trying to control a relationship, but all that's about to shatter. I don't know what they're going to do then.

There's the emperor and then the Empress is here. And I've been talking about a relationship which they have some type of delusion. I don't think they're on, I mean, I'm sorry to say it like that. But I don't think they're on the level of this Empress. Like I don't think so. I think the emperor and the Empress could work out. Well, I don't. I really do because they're not the type to like walk away. Let go. They want to stay in their illusion. But you know, reality is a thing. So we can't do that. What's this energy here?

30

Queen of Swords

Queen of Swords: **independence** · **clarity**

36

The Tower

The Tower: sudden upheaval · collapse

This seven of cups, this is what clarified the tower. That's how I know that when the tower hits all this smoke is going to clear. But they put a lot of work into some type of illusion. Like that shit is crazy. They're going to have to live their truth. I don't know what the hell is going on with them. But they need to step into reality.

And it's the devil. It's the devil here. And it's this will of fortune. So I'm not trying to make somebody sound like it's like a like somebody's property, but it does sound like it's a buyout. It sounds like it's a bio king of wands, king of sword and then the ace of pinnacles.

or so that something can happen with this tower. Like there's something that needs to happen. I really feel that and it's because of this damn devil here. And then the will of fortune is the table's turning and somebody being free. I feel like this king of cups doesn't want to be free. They don't want to be free and they don't want nobody to be damn free. But we got the will of fortune. So look, it's the will of fortune and it's a tennis sword. So it is what it is. Like they're not going to be able to stop this. The tower is going to hit and they're going to have to face it. It might not be something they're ready to face, but they got to face the truth. Look at this self-acceptance. Stop lying to yourself. Whoever it

is, damn king of cups. King of cups is lying to themselves about something in this relationship and they don't even care. They don't care about their delusion or confusion or emotional, they don't care about none of that shit. They just want control. They need to look at themselves. They need to just beat themselves. I don't know what the issue is. Why they just so like the demon out here like that. They need to accept themselves and let the Empress go. It's not resonating for them. It's a strength and guidance. It's self-acceptance. It's strength and guidance. And it says holy love. Like that's where people supposed to be going to the holy love. The peaceful love. The healing love. Not this shit. This binding love. That's not it. That is not it. That's not no love at all. But I'm going to leave this one right here. If you liked the way that I re-please like, share and subscribe.
