

THEIR LIFE WILL CRUMBLE

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

26 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **273** spoken beats. The same 26 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

King of Cups

emotional mastery calm

emotional mastery and **calm**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

02

King of Wands

vision leadership

Let me get one more. The King of Cups and the card, they're facing each other. I don't care. Man, woman, I don't care. It's like, I even feel like if it's something that's coming from the card and the card is going to return something or they're going to give something back and they know that it's their responsibility or their obligation. And they're at peace with that. So someone is saying the right thing and temper and synergy again on the bottom.

03

Six of Pentacles

generosity giving

So it's something fair about a relationship. It's fair. It's giving a person is going to give back or whatever is being given is going to be returned. It's giving all of that energy. What is this energy here? They're facing each other and the card is there on the outside.

04

The Hierophant

tradition guidance

We have the Tin of Wands. It looks like somebody is going to do the right thing no matter what. Somebody's taken on some type of role, some type of very important title here. Somebody has been put in this position because they are capable.

05

Temperance

balance patience

We have the Four of Sores energy, the card, and then we have the Night of Sores energy. Sagittarius energy and Tores. What is this Night of Sword energy? What are they saying? Wait, this is the wrong way. What did I say? What is this Night of Sword? What's going on with the Night of Sword? We have the Six of Sores. So whatever they're speaking, they're saying the right thing or given the right answer to something. And it's about the pathway.

06

King of Pentacles

success stability

success and **stability**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

07

Queen of Cups

compassion empathy

Almost like the card turns cold. I don't know who this water energy.

08

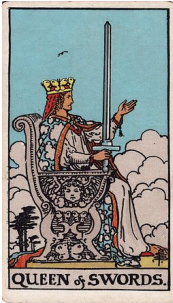

Eight of Cups

walking away seeking

walking away and **seeking**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

09

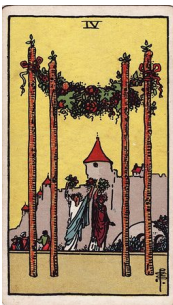

Queen of Swords

independence clarity

We have the card, damn, it just seemed like somebody turned cold. And the King of Pentecostal's was over here with this Queen of Cups that like walked away and turned into the card and lost everything. It closed up. What's this energy here?

10

Four of Wands

celebration home

celebration and **home**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

11

Ace of Pentacles

opportunity prosperity

The card and then it's The World Card. It's like somebody wants to close out some type of cycle, but it just, it looks like something could close at the beginning if a person does not keep their word. Like I feel like there's a promise that's being made. Like that somebody's going to return something or they're going to give something back.

12

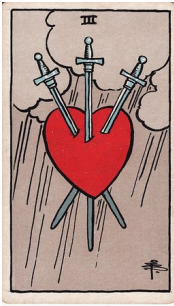

The World

completion cycle closing

completion and **cycle closing**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

13

Three of Swords

heartbreak sorrow

Yes, the card and then the Three of Wands and then the card.

14

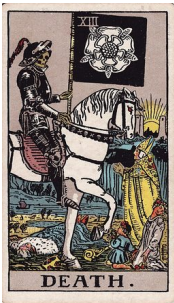

Three of Wands

expansion foresight

All I saw was the card and the Three of Swords. We have the card, my goodness. What is this energy?

15

Death

endings transformation

If they tried to back out of something and also the card is here, I didn't even see the card. The card was connected with this Three of Wands. And when I moved the backup, the Three of Wands is the card. They cannot. I don't know if they're thinking about doing this, but if they choose to do that, that's going to be on them and it's a serious consequence for that.

16

King of Swords

authority truth

authority and **truth**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

17

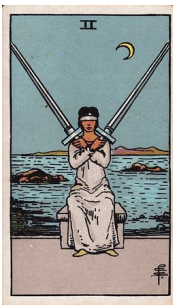

Nine of Wands

resilience persistence

We have the card, yes, they're cautious about how they're moving forward.

18

Two of Swords

stalemate indecision

They know what they can and cannot do. They know its choices here. Really? It is a choice. I'm scared to say that somebody may still be deciding whether they're going to do the right thing or not and you know, that's fair, right? That's fair. That is fair. It is going to be the moment that they're tested. That's going to be what counts, but we're going to see. That's what it's looking like. We're going to see. We have the King of Pentecostal's energy here.

19

Nine of Swords

anxiety worry

We have the card energy, yeah, they know what's right and wrong.

20

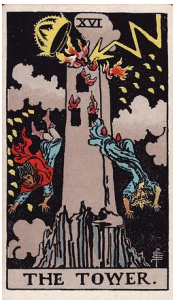

Five of Wands

conflict competition

They know, they know, we have the card energy, it just pretty much goes downhill, okay?

21

The Tower

sudden upheaval collapse

The Three of Cubs came out, but it looks like whatever it is that would be a Three of Cubs, that's going to be destroyed. They better not, they're going to find out some crazy shit if they do that. But like I said, this should not even have to be seen, but it's here, it's here. I know they thought about this shit, I know they thought about it and they don't want to do that. They don't want to go down for some dumb shit. What is this energy here?

22

The Moon

hidden influence illusion

hidden influence and **illusion**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

23

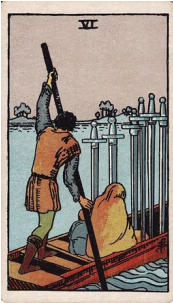

The Devil

bondage attachment

Yeah, somebody knows what's on the other side. If they don't go up or if they don't do what they're supposed to do or if they don't give what they're supposed to give, or if you know what I'm saying, like, if it's not a balance give and take, you know, that's why you can't go on the story. Or just steal some shit. You got to pay for it. If it's not a balance give and take, there's going to be a big issue.

24

Six of Swords

transition moving on

Okay. Yeah. Let's get back on track. What's the card? Okay. We got the Fava sword, the Fava sword. Somebody looking at the card like it's a challenge.

25

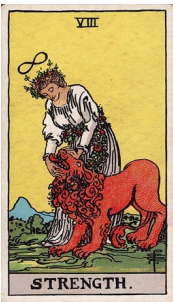

Six of Wands

victory recognition

So look like the King of Pentecostal's star is going to succeed in something. They look like they're going to succeed in something. It could be somebody feeling like maybe they don't have to give something back. Because a person is going to succeed or they don't have to do something because it is because of that. They're going to find some type of excuse and their shit is going to be closed up.

26

Strength

inner strength controlled force

Or somebody has to make the right decision or the test comes because we've got the card here at the bottom. Maybe that's when the test is that like the test is when something is over or the end of something. Yeah, because people do that shit every day. You trust them. You give them something. Maybe they want to pay you back. I'm going to do that and then they've gone. Phone number cut off. Change this. Change like.
