

Their Scamming Business Is Exposed

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

23 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **277** spoken beats. The same 23 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

Three of Pentacles

teamwork skill

It really looks like they plot the first energy was the card like they worked together. But this is the card like they worked together. They were building something together. Because even the card is like, let's say if that was a product. If that was a product and I don't know, let's say it says, it's a miracle. It can straighten your hair out, but it doesn't tell you that there is permanent. It doesn't tell you there's a relaxer in it.

02

The Moon

hidden influence illusion

What is the card? Let me get one more with this five of a sword because this five of a sword is telling and the card. What is this five of a sword? And we have the two of one. They started this at the card. They started this behind the scenes.

03

Judgement

reckoning awakening

Wow. Okay. It almost looks like there's a group of people or there are people that were collaborating together or they did they actually did complete something behind the scenes and they're being judged for that. Like these are people that thought they may have got away or they thought something was completely buried. Well, I don't mean that literally, but you know, yeah, they thought that it was finished. They thought the goal was met.

04

Death

endings transformation

And I don't think and we have the card at the bottom like the card at the bottom and the tennis sword. That's a double whammy right there. The tennis sword has 10 swords and somebody's back. And the card ain't no better. Scorpio energy. They are going to be punished for how they collaborated on something.

05

The Chariot

willpower drive

willpower and **drive**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

06

King of Wands

vision leadership

Fire signs and cancer energy. The card thought they got through the door. They thought they got through the door or they thought they were going to get through the door or they thought it was a rite of passage. They thought something and they worked with somebody else thinking that because they had some type of common thing together. It was going to get them through the door. Nope.

07

Four of Wands

celebration home

celebration and **home**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

08

Justice

truth accountability

Like I'm telling you, I don't know who or how they called this out, but the card is shutting it down. I don't know if it was the card system out here, but they are going to be like blasted. They're going to be like put out there in some kind of way because of some type of proof here.

09

Five of Swords

conflict defeat

So who is the card and then just as somebody having a problem or it almost looks like somebody calling it out. What is this five of a sword?

10

The Lovers

union a choice

Shit. One, two. I'm just saying they did something and a person is calling it out and is shutting it all the way down. It's shutting it all the way down. I don't know if it's something intimate. We got Gemini energy. I don't know if it was something intimate or they just really plot it together. Okay.

11

The World

completion cycle closing

They may have thought they got through the doors, but somebody called them out or somebody pulled their card. Somebody opened that closet with the bones in it. They did something here because they're not getting away with it. They thought it was hidden. They thought that shit was buried. So what's in the card? They tried to fight themselves to the money. They tried to fight themselves to the money, man. They did not care.

12

The Magician

willpower manifestation

They thought that shit was buried and it's the card in the fobbasaur. I am telling you the card is mad. My goodness. Okay. Actually no.

13

Ace of Wands

spark inspiration

It's an action. It is an action that was taken. It was taken and you don't know anything about it. Or you weren't supposed to know anything about it. I don't know who this is as calling it out. I clarified The Moon and the card came out.

14

Two of Wands

planning decisions

So with the five of a sword is The Lovers, The Lovers, and the card. It's The Lovers and the card like they had the same motive. They had the same like want to have some type of outcome and they did it together behind the scenes and they thought it was going to be covered up. I don't know how somebody figured it out. Whoever this five of a sword is, that's the one that had to go fact check. That's the one that's like, no, y'all did that.

15

Three of Cups

friendship celebration

It was it's not the card because that would have definitely been some type of third party type of shit.

16

Seven of Swords

deception strategy

And then we have the card at the bottom because they know they were conniving for that shit. They know they were conniving for that whatever they did. I don't even want to I don't even think it's something intimate, but if it is, fuck that. I think it's something way serious. I think it's something way more serious than that. I really do. I really think it has something to do with trying to get through a big door, trying to connive or manipulate to try.

17

Ten of Wands

burden responsibility

We have the 10 of cubs energy. The first thing that came to mind was them being embarrassed in front of everybody. That is the first thing that came to mind because I'm like, that's a lot of energy and that's in front of a lot of people too. What is this energy here? Like I feel like all the dots are about to connect. We have the ace of pinnacles here. I feel like it's some type of proof also. We have the seven of cubs.

18

Page of Wands

discovery eagerness

discovery and **eagerness**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

19

Seven of Wands

defense courage

We have the six of, I'm sorry, not the six. We have the nine of pinnacles here.

20

Nine of Pentacles

abundance independence

And it was all about trying to get to the card like I'm telling you, I feel like they're going to hurt people in the process. I really do. And that's what's so sad about it. This is a physical thing that they plotted. Like what like I don't know how to say what if it's something that is for your car, but it's actually damaging your car. What if it's something for your car, but it's not even strong enough?

21

King of Cups

emotional mastery calm

Not the card this year and the card is here with the eight of sword. So it could be really a water sign that's about to go to jail or some type of water sign. Or they're held in some kind of way or they're in prison in some kind of way. They're stuck in some kind of way for lying. For manipulating. I mean the cards is out here. The card is gonna be in jail.

22

Eight of Swords

restriction fear

The card do be representing people being jail or they being prisoned or they don't be understanding or they just can't get out of it. They're really stuck or entangled. That's the word. They're entangled in some shit. Don't put me in that shit. I don't know somebody I would have had to walk out from day one. You know. I really think that this is a lot of this is a few people I would say.

23

The Empress

nurturing abundance

So I'm just saying maybe it's gonna be the king of cups and the card. It says guardian angel here and it says surrender. Maybe surrender. This is about to be shut down. They're about to get caught as soon as they try to get through that big door. It's something they're going to be caught and it's going to be over and they're going to be exposed because either somebody's going to pass away or it's something here. It's going to expose that shit, man.
