

THEY ACCEPT WHAT IT TAKES

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

20 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **132** spoken beats. The same 20 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

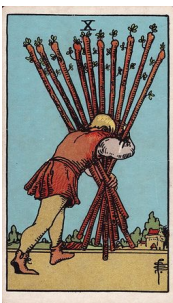

Nine of Cups

wishes contentment

We have the night of cups, we have the card and the ten of wands. Wow, that's like someone loving something fiercely or like they handle some type of responsibility because they love what they do, they love what they're pursuing, they love what their heart is guiding them and they're ready to take some type of responsibility or they're willing to take this responsibility to have this happiness. That's what it looked like. What's this in a matter of fact?

02

Ten of Wands

burden responsibility

And we got the full card here. Wow. And then at three apenacles, it looks like this is somebody's life. This is somebody's new beginning. This is the leap of faith. This is the chance that someone is taking to work together or do something together because of this three apenacles being at the bottom here. What is this energy? Matter of fact, let me get one more, let me get one more with the card.

03

Five of Swords

conflict defeat

So the full card came out and then the card. That the card is something that was not understood.

04

Five of Wands

conflict competition

What is this energy? We have the ten apenacles though. You know, it really looks like someone that's going to have to like stand up or they're going to have to like speak up. They're going to have to be in uncomfortable situations. Now I don't want to say it's a negative thing. Like, I don't want to say I'm comfortable, like terrible.

05

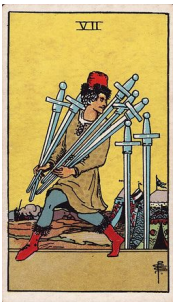

Six of Wands

victory recognition

We have the queen of finicles.

06

Seven of Swords

deception strategy

Why we got that? But the card, there's a way that the lover's energy is going to manifest. It's not going to be something that is just flat line or it's just a straight line or something like that. It's something different and that's the goal actually. That's the goal. And that's what's crazy. Like everybody's relationship is not meant to be the same. But the goal is going to be met here because somebody is taking on the challenge.

07

The Lovers

union a choice

So there could be strategies that a relationship will need to have in order to be successful and then we have the four wands. Yeah. This is something else. This is a very, this sound like some rider die. This sound like some like real understanding relationship. This don't even sound like my goodness. I almost want to say this don't even have a title because for somebody to love somebody that hard, it don't even matter what the fuck you call it.

08

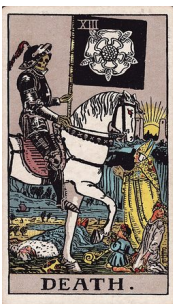

The Moon

hidden influence illusion

Okay, always, there could always be fears. There could always be things that's unknown. You know, that could always be scary. Who does this energy? We got the card energy again. And we have the two of pinnacles.

09

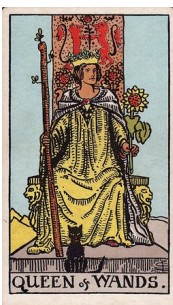

Death

endings transformation

Yeah, that's getting a little bit, you know, we have Scorpio and Pisces. We'll just say water signs. I mean, we did start with a night of cups. And it may be the card. It may be something that's out of their control.

10

Queen of Wands

confidence warmth

So look like some type of psychological transformation that is happening with the card. So somebody's going to witness this psychological change like the card going to go through a Death. They're going to go through a major transformation. Wow, something's going to happen with the card where they're going to break out of something. They're going to see the truth and they're going to move forward. But a person is going to see the card shift.

11

Page of Swords

curiosity vigilance

curiosity and **vigilance**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

12

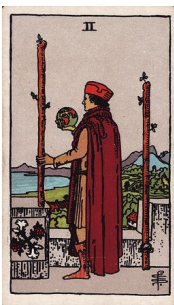

Eight of Swords

restriction fear

restriction and **fear**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

13

Two of Wands

planning decisions

planning and **decisions**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

14

The Empress

nurturing abundance

nurturing and **abundance**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

15

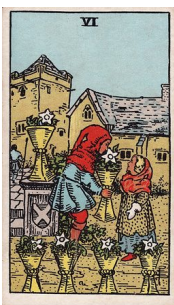

Seven of Wands

defense courage

Now that is somebody that's a fighter. That's somebody that's defending something. It could be defending the relationship. Defending something. A person is not going to back down. A person is not going to give up. Taurus, Libra is something about Venus here. They're not going to give matter of fact Venus and Mars is here. They're not going to give up. They're not going to give up or you're not going to give up. What is this energy?

16

Six of Cups

nostalgia innocence

We have the Ace of Finicles here and we have the card. I'm telling you, you know what I noticed in this card. The first thing I noticed was the mountain in the background. That was the first thing I noticed was the damn mountain. Okay, the mountain. That's the, and this is the seed. Somebody knows that it ain't going to be easy because a mountain who's climbing that? That's what I'm saying.

17

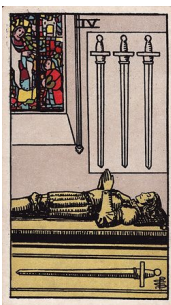

The Sun

clarity joy

It's Scorpio, the card, Scorpio energy.

18

Four of Swords

rest recovery

Okay. Four Swords.

19

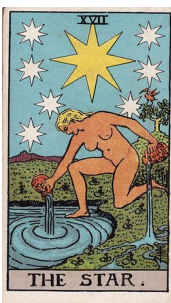

Queen of Swords

independence clarity

That's a very peaceful energy for the card. I know if the card could be in any energy, they'd rather be in the Four of Swords. Rest in their mind. Chillin' out. Relaxing. Not worried about something here. The card knows that everything is all good, like whatever worries or I don't even think there was any worries in this reading. I feel like it's all out here. I feel like even the choice. Like this is a beautiful choice.

20

The Star

hope renewal

We got the card, Aquarius energy. Aquarius energy is almost like this Queen of Swords not even worried about the card.
