

THEY FINALLY SEE THE LIGHT

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

22 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **232** spoken beats. The same 22 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

The Moon

hidden influence illusion

We have the card out first, Pisces, we have The World card, what is this energy? And the card being the first card means it's something in the background that I don't know if you can't see it or other people can't see it, but like there's a conclusion happening right now, a hidden conclusion. It's something unconscious a person is doing, that they're about to stop.

02

The World

completion cycle closing

completion and **cycle closing**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

03

Five of Wands

conflict competition

We have the card, damn, I mean it looks like, why is it look like a hidden fight? It's a closing of a hidden fight, but it looks very much hidden. What is the card, what is the card, I'm almost thinking I should clarify The Moon card. Something, my goodness, none of no, I don't feel right, I just got to keep going. What's this energy?

04

The Empress

nurturing abundance

So Taurus, Libra, but there's a fire sign looking at the card. There's a fire sign looking at the card. It's something, my god, that's about to close out. What is this energy? So the card is probably like, damn, like you get all the way here. And now you, your ass got to pay for some shit. Or it's like, I hope I'm making sense to somebody. Like now you got to be punished. It's like you finally get the less or somebody.

05

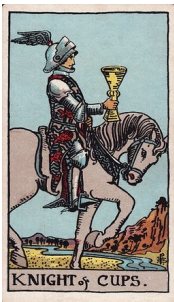

King of Wands

vision leadership

They're witnessing the fact that the card has been through the change and they see the change and they, it's like they see it and they feel it and everything. But they still got to pay. That's the part like, can nobody save the card from that? Can nobody save them? What's this energy here? We have the King of Pinnacles Earth sign energy here.

08

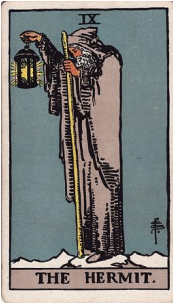

Five of Pentacles

hardship isolation

I thought it was going to end a lot better than that. But it looks like the damage is already done. That's the thing, like somebody is changing something unconscious is changing. Somebody's being lifted out of something that had no control over. But like the damage is already done. It's like now somebody's ready to do this and ready to do that. And now it's time to pay for the damage.

09

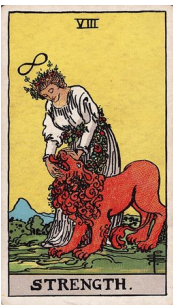

The Hermit

solitude inner wisdom

So somebody looking at some money. They looking at like a King of Pinnacles. Somebody got a lot of money. They're looking at somebody or investigating. The card is facing this King of Pinnacles. This Virgo energy is something where they're shining light on this person.

11

The High Priestess

intuition the unseen

There's a lot of secrets there. We have the three of Pinnacles. The full card. And then the nine of Pinnacles here. Somebody's looking into the money aspect of a person. They are. Strength card and the card sound like somebody trying to break into a safe. That's what it sounds like to me. I don't know why. But it sounds like somebody trying to break into a safe or whatever that means to you.

12

The Star

hope renewal

Aquarius energy here. Yeah. I didn't even know the card was at the bottom and I'm talking about that's for your soul. Somebody is different. Somebody is chosen for something but it doesn't mean that you don't have to go through how can I say the trials and tribulations and learning this and understanding that and going through shit you don't have no control over you know closings of the cycles. The card is still there. Okay.

13

Queen of Swords

independence clarity

We have the card and then the Nine of Swords. So the card could be very worried about something or some like air sign or it could be just about some type of information coming out or some type of truth. Like somebody could be panicking right now and they're coming out like the card.

16

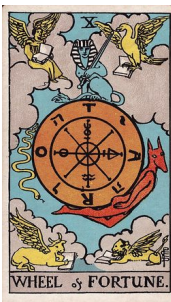

Six of Swords

transition moving on

So I'm like they're worried if they're going to be able to gain control of something and I think yes because the card was right after The Chariot it went Queen of Swords, Nine of Swords, right? That's somebody like Queen of Swords is worried she's an anonymous sword but then The Chariot and the card so she's able to gain control over something. It's almost like if shit I just hurt my damn eye.

17

Wheel of Fortune

cycles turning point

It's almost like if somebody yeah we're like behind the card and they're worried are they going to be able to get through something what's this energy here?

18

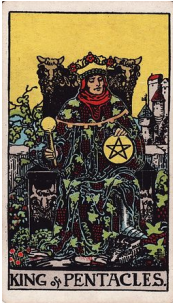

Judgement

reckoning awakening

Like this is so serious my god I feel like it's somebody driving through like driving through fire. Like there's fire on both sides and it's like you got to get to the other side of something before that shit comes in and then you're really driving through the fire. Like this shit sounds so serious the way it's just coming out and I didn't poke myself in the eye and shit like for real in the left eye.

19

King of Pentacles

success stability

I mean I'm not Virgo even with this The Hermit with the lantern looking into the card I feel like somebody going to make it like just but that much like just that much that shit is crazy how it looks it really is and then the King of Sora is here five of sort yeah King of Sora is the one with the problem what is this energy here Lord we got the seven of Wands energy we got the eight of Cubs energy so somebody's fighting they're fighting to walk away or.
