

TOWER HITS, THEYLL TRY REUNITE

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

19 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

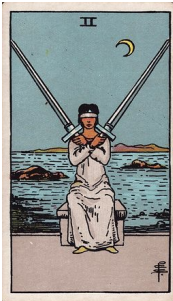

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **140** spoken beats. The same 19 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

Two of Swords

stalemate indecision

We have the card, we have the six of wands, and then we have the full card. I got to get something with the card, like either the something about the card, something maybe pending or there may be some type of choice, but it's all leading to some type of new beginning. What is this energy?

02

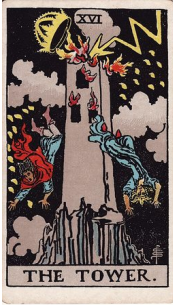

Six of Wands

victory recognition

victory and **recognition**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

03

The Tower

sudden upheaval collapse

So something just crumbles out of nowhere, like someone can't be on the fence, someone has to make a choice or they have to move forward into this new energy. Like something's going to happen where it's going to force somebody.

04

Four of Wands

celebration home

I want to say to succeed, I don't know if that's, yeah, the card, that's achieving a goal right there.

05

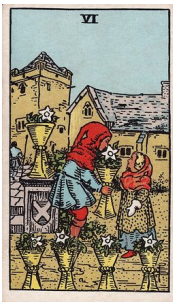

Five of Cups

grief loss

Like I see someone being sad and making a move towards who they feel is like a deep connection or they want to reconnect or it's like they're making a move like in this energy, in this grief. Someone is making a move in their grief and whoever they're offering something to, like I don't know if it's some type of new beginning, whoever they're offering that person is rejecting. That's what I see. I don't know who's who.

06

Six of Cups

nostalgia innocence

We have the night of cups, the card.

07

Four of Cups

apathy reflection

We have the ace of pinnacles and then we have the card energy. Now the first thing I'm looking at is this ace of pinnacles and then four cups as if somebody doesn't want, somebody doesn't want whatever is being offered. They don't want some type of new beginning. They don't want some type of like to be in possession of something or they don't want to go on this new journey. Like somebody is not interested. Whoa, wait a minute.

08

The World

completion cycle closing

My goodness. It's something really that's about to close out. It's, somebody is not going to be happy. It's not the person in the first line. The person in the first line is going into a new life, a new story, a new level and everything. The person in the second line looks like they are closing or something closed for them and they're going to be rejected. I don't know what happens to them.

09

The Magician

willpower manifestation

We have the three of ones. They're going to force it because it's the card.

10

The Moon

hidden influence illusion

I don't like how all this sounds so far after talking about those other lines. So they're going to minute, it just really looks to me like they're going to manipulate some energy because even the card is here. Or, you know, things you just can't see with your eyes.

11

King of Swords

authority truth

So an air sign. We have the harafot here. Yeah, it's the card. Look at that. -huh. It is something pending for them. It is. It is something that's about to happen. And I clarified the tool sword. The tool sword was the first card in this reading.

12

The Devil

bondage attachment

And then we have the nine of pinnacles, the nine. So they're trying to plant the ace of pinnacles. And that's being rejected. How are you going to get to this nine? But then king of sword harafont the card. Like it's something here about a title or somebody abused their title. No, I don't, whatever is going on with them, I am so sorry to say this, but I don't think anybody's going to feel sorry for them. I don't think anybody's going to bite the bait.

13

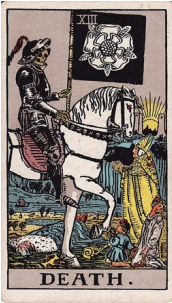

Nine of Wands

resilience persistence

I even got the card right here. The card is usually when you have your walls up, your energy up. Like somebody cannot cross your boundary. What is going on here? We have the night of swords.

14

Death

endings transformation

Like whatever this The Tower is, it could even be the card. And I think there's somebody that's not going to care. Like I am so sorry. I just keep saying that because you know, like it just sounds bad. But y'all know some people don't give a fuck when certain people, you know, like I'm just being honest. You know what I mean? Like it is because it's right here. Look at them. They don't care. They don't want it. They don't care.

15

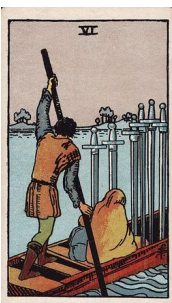

Three of Wands

expansion foresight

expansion and **foresight**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

16

Six of Swords

transition moving on

Yeah, it looked like open waters to me. That's the first thing I saw looking at these two cards. It's just like open waters. And these are two separate cards. Open waters though. What is this energy? We have the four sword, this mental piece, mental stability out here.

17

Ten of Cups

harmony family

So somebody's already good. Okay. Somebody already got the connection. They already got the divine love. They already got the emotional fulfillment out here. Yeah.

18

The High Priestess

intuition the unseen

And I just said something about the card. Yeah, the card knows they know the deeper meaning of things, they know what's hidden. They know they're hidden meaning behind things. They guard the gate. They know the shit, you know, you may not want to say. What's this energy? We have the 10 of ones. What is this 10 of ones? The page of pinnacles. Damn, they look like somebody really trying hard to plan a new seed.

19

The Star

hope renewal

Like somebody knows what they're doing. They know what they're here to do their purpose. Okay. And then we already see, this is why somebody's not taking that offer because it's full of shit. It's all this smoking mirrors and shit with it. So I'm telling you, if it's your intuition, your shit is on the money. Just because somebody's having a shitty day, it doesn't mean they can come in your life. I'm just saying, that's how it be some time.
