

They Truly Despise You And Can't Love You

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

24 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **388** spoken beats. The same 24 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

King of Swords

authority truth

We have the card, the two of Pentacles, and then the two of sword. So the card, and then 22, two of Pentacles, two of sword. It's like, I feel like the card is trying to grow something, and they can't. They're trying to work on something, they're trying to balance something. Could even be trying to organize something, and they just really can't get it together, or something's not processing. What is this energy?

02

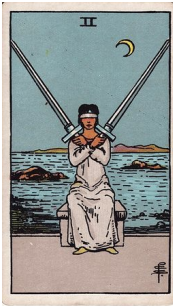

Two of Pentacles

balance juggling

balance and **juggling**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

03

Two of Swords

stalemate indecision

stalemate and **indecision**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

04

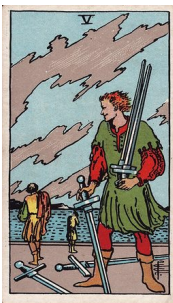

Five of Wands

conflict competition

conflict and **competition**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

05

Five of Swords

conflict defeat

So Five of Wands and the card is a clear sign of a fight or argument. I mean, I don't know who's right or wrong, but it's just a disagreement that it's not cleared up. I mean, five of wands and the card together, that's never good. That's very, that's extremely challenging. That could be yelling, screaming, fighting. That's not resolved. Like whatever this Five of Wands and the card, it's never again, never. And here they are with a fucking motive.

06

The World

completion cycle closing

completion and **cycle closing**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

07

King of Cups

emotional mastery calm

They're trying to work on something, or build something, we have The World card, something about closing out this cycle, and then something we have the card, and then we have the Eight of Swords. Like somebody's emotions are not changing. This King of Swords, I mean, the card emotion is not changing, or somebody feels stuck. Like they can't connect to somebody, they can't love somebody, they can't do something like their block.

08

Eight of Swords

restriction fear

I feel like somebody, the card is like, it's just like somebody stuck in an old perspective. Like I'm so scared to say that somebody cannot change their ways because everybody can change. Anybody can change, but it's not up to anybody else. You know, when somebody has to change, but it's just like, why do they feel, what is this energy? I'm just trying to figure out, I think in this reading, this more so is about a fight, a argument, okay.

09

Ace of Pentacles

opportunity prosperity

It's like something I feel like they want to obtain. It's something they want to get, but they, I don't know like they can't get it being this way. I see that they want to work on it, but like, I don't know, it just makes me feel like they don't know how. They don't know how, they don't know what to do to change something. This is, I mean, I can't, I don't know.

10

The Lovers

union a choice

We have the card, the full card and then the card, Gemini energy. So we'll say heavy air signs, heavy for the air signs. It's something about a new relationship. Just going towards a new relationship because somebody's mind is not going to change. They try to change it and maybe it's just not, like I'm trying to be nice and shit. Like I'm trying. What's this energy?

11

Five of Cups

grief loss

Gosh. And then we have the hang man. It just doesn't seem right for the relationship to go any further. It just doesn't seem right.

12

The Moon

hidden influence illusion

It just doesn't, then we got the card. It's not getting no better. Also heavy Pisces energy. So heavy air signs, heavy Pisces.

13

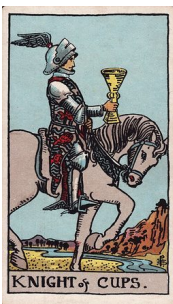

Seven of Pentacles

patience investment

patience and **investment**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

14

Knight of Cups

romance the offer

It looked like somebody has given or invested what they can and they're ready to just move forward. And it is sad. And I mean, I don't know how else to see it.

15

Four of Pentacles

control security

They want another chance perhaps. And it's just like emotionally. Sometimes emotions are telling you everything you need to know. Like everybody's different. You can't make somebody, you can change yourself, but you don't, I don't know how to say like, it doesn't have to be so that somebody can be in your life. You could just change just to better yourself.

16

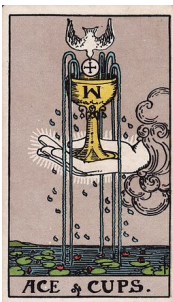

Page of Cups

intuition messages

intuition and **messages**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

17

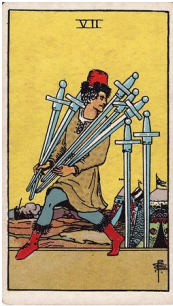

Ace of Cups

new love feeling

Okay. They may care now. Let's say it. Maybe they didn't care in the past, but maybe they care now.

18

Seven of Swords

deception strategy

No, you see like this is why somebody, you just need to heal on your own.

19

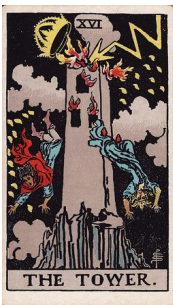

The Chariot

willpower drive

And then the next card was a the card. That's why somebody got to go. Look at that.

20

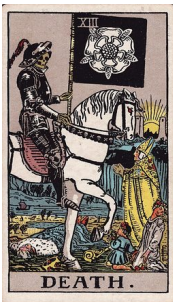

The Tower

sudden upheaval collapse

King of Swords and the card was here together. So I guess they thought this would never happen, or they thought this was impossible, or they thought somebody couldn't walk away. That lie is being shattered. That's how I look. What is this energy here?

21

Death

endings transformation

I mean, it's speaking for itself. Look, somebody really, you really did enough. You did enough and it's time to close the cycle. You don't need to feel guilty.

22

King of Pentacles

success stability

And the card just came out like they want with the card God. What's this energy? There's two water energy surrounding the card. Water energies. I know we weren't talking about the card, but this looks peculiar to me. That looks peculiar to me. This must mean something to a person because these two people, they got cups. They're both looking at the card. Like they love him. They're both looking like that.

23

The Devil

bondage attachment

Yeah, that's exactly what it is because the card came right back. They want a piece of some type of money. You know, the card is about materialism too. Now, to me, I know we were not talking about, wait, let me look, and then we got the card of Fortune.

24

Queen of Cups

compassion empathy

It even looks, the King of Cups and the card, they're surrounding the King of Pentacles. You see the King of Cups and the card?
