and the Empress. It looked like this Empress been putting up with something for a long time. She's not dealing with it no more. The Nine of Wands is like she got her guard up. She's not playing. She's ready to fight. She's ready for somebody to cross that boundary. It almost feel like she been waiting a long time. It looked like she been waiting a long time for somebody to try something. Cause this is seven of the Pentacles. They look like somebody been, okay.

This to a sword, I believe, I was just about to say, I believe it would save somebody's ass if they just decide not to play with this enemy. empress right now. It would save somebody's life. It would save somebody a lot of time because that knight of sword, they have they're on a horse. They're going to slice and dice somebody real quick. And I really believe it's the empress. I really feel like whoever this two

09

The Emperor

The Emperor: authority · structure

of sword is, they need to really think about this shit. What is this energy here? We have the emperor. I don't even care. I feel like the Emperor need to be careful. If that's the case, let's see what comes out with the Emperor.

10

Justice

Justice: truth · accountability

We have justice here. Let me get something. Libra energy, Aries and Libra opposite signs. What is this energy? So it's this Emperor that he better be fair or something.

11

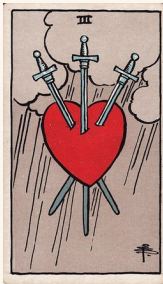

The Chariot

We have the Seven of Wands energy. We have the Chariot. the chariot, it looked like something that got to be faced in order to move forward.

12

Three of Swords

Three of Swords: heartbreak · sorrow

We have the three of sword, it's a truth.

13

Two of Pentacles

Two of Pentacles: balance · juggling

We have the two of pentacles, let me get one more.

14

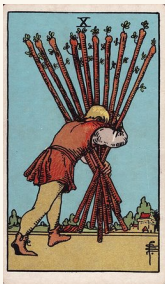

Ten of Cups

Ten of Cups: harmony · family

Okay, and then we have the 10 of cups. So it's something that the Empress is not gonna put up with no more. And the Emperor, there has to be something that's balanced there. The Emperor like, okay,

the Aries, Libra dynamic, okay. Let's say Aries has to learn how, And I'm not talking about Aries people. I'm just talking about the Aries energy in general can be very selfish. I'm not talking about a person. I'm just talking about the energy because that's the, it's just identity. Like you think about me, me, me, me, me. But that's why the opposite sign is Libra. Because the challenge for that Aries energy is to care about somebody else, is to be there for somebody else without losing themselves. Of course they're not gonna lose themselves. The child, but that's the challenge of Libra at the same time. That's why they're opposite. So Libra, their challenge is to not lose themselves caring about somebody else being there for somebody else. It got to be scales. It got to be balanced. So emperors ain't filling it. Emperors came in this reading, the three cards, the nine of wands, the seven of Pentacles and the emperors. The first card being the nine of wands is someone that is really not playing. They got their guard up. Like it's the energy of like, let's say, I don't know, something happened in your household and you're like, you know what, I'm going to hold myself together. But you know that if somebody tried one more time or do anything else in that moment, there's going to be a problem. That's where the empress is.

15

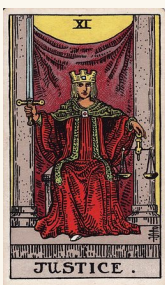

Ten of Wands

Ten of Wands: **burden** · **responsibility**

The empress is at a place where it's not the ten of wands, it's not the blow up, but it's the please don't take me there. It's the please understand I'm not feeling it right now. Whatever the hell you're doing, Emperor, that shit needs to be balanced. I don't know. The Empress is, is, look, and then we got the hangman. I'm telling you, it's something here. Somebody got to see the truth because the energy got to be balanced. I can't, you can't have a relationship and somebody is feeling like that.

16

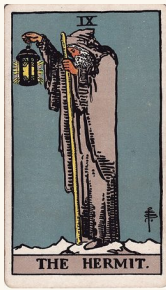

Justice

Justice: **truth** · **accountability**

It's something that needs to be balanced and the justice is right next to the Emperor. So I'm just saying. And then I got another opposite signs. I got Virgo and Pisces.

17

The Hermit

The Hermit: solitude · inner wisdom

The Hermit and the Hangman. Yeah, I really think the Emperor need to think about this shit. I am so sorry, like it really looks like that. It looks like the Empress is fed up there at their last piece of string and they about to just cut it. That's what it looked like. It looked like it's on the Emperor to actually see that something is not balanced, something is not fair, something is not right. And if they can't see it, the Empress is They gonna cut that last string. It's something here a person has to see the truth. They gotta surrender to the truth. It's not always the way we want it to be. When you're dealing with somebody else, it's two sides of it. It's just the way that it is. It's two sides to it. If you think it's just about you, you can't have no relationship like that, not for long. If it's just about you, it gotta be about both. It gotta be.

18

King of Cups

King of Cups: emotional mastery · calm

And then it's the king of cups. It's like they gotta realize, It's an emperor though. The emperor has all of the king, they are all of the kings, but it doesn't mean they can't lack in one area or two areas, or maybe even three, they can lack. There's a lot of emperors that be lacking certain things. And the king of cups is a big one. The heart, the love, the caring, you know, the affection or showing some shit, you know, even just anything, just showing you care about. So I don't know what the hell it is, but they are realizing, because it's the hangman, the hermit, and then the king of cups. they're realizing that that's the problem right there. It's their king of cups energy. It's their emotions. The empress feels like there's nothing being given properly or maybe that the emperor doesn't care or the emperor doesn't express something or the emperor is something where you could feel alone with somebody. I mean, the empress could literally be with somebody and still feel alone because that person, I mean, I'm only tapping into that because it's the king of cups. realize it's an emotional thing. Like it's the emotional aspect, the Empress is fed up with the emotional aspect, the money might be there, this and that might be there, but what like we need water. I mean really think about that. We need water, water. You know like drinking water? We need water. You know and it has to be like you know somewhat clean right? I'm just being honest like You got to read between the lines with this. You know what I'm saying? You got to read between the lines. Somebody can't, you could be in a

relationship and have no water. How you going to live? Where's the love? Where's the care? Why are we in a relationship? Where's the, they can't grow without no damn water. You going to be thirsty. You're going to be dried up spiritually. It can't work like that. I really think it's the emperor that has to tap into that shit and really understand like that's real. Like we can't sit here and keep acting like emotions don't matter or emotions are not real. It's something here a person is realizing. I mean this emperor is realizing. I don't care who's the male and who's the female. It don't even matter. The empress could be the male and the emperor could be the female. I don't even care or whoever. It don't matter. But I know that this empress is fed up because they've been dealing with some shit for a long time. And this emperor has justice right next to them. So it's something here where it needs to be balanced. somebody got to take accountability you can't just be like oh well that's how you feel no that's some that's some real airy shit to say you know that's real selfish you can't be like that okay what is this energy let me get something

19

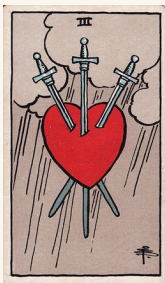

King of Wands

King of Wands: vision · leadership

here do i need not only want to clarify nothing what is this energy here we have the king of wands

20

Three of Swords

Three of Swords: heartbreak · sorrow

energy okay king of wands fire energy again what is this energy here we have the three of sword so it's hitting them it is and that's necessary do you know how normal it is for like i mean

21

The World

The World: completion · cycle closing

of course the world knows that it's a normality for a man a man has to be this and a man has to be that and you can't cry you can't be emotional you can't be this and you can't be that and it's like, no, that shit is hitting them, as it should. I don't know why people try to cut that shit off. Why you try to cut off your emotions so you can't feel nothing? What is that, a robot? You can't be like that. Whoever is king of wands or emperor, or they're realizing they gotta tap into the water. Cause you hurt somebody, you gonna get hurt. If you hurt the one you love, you gonna get hurt. And you could love somebody and still fall short in certain things, but you gotta see what is that? What is the things that the other person is showing you or saying or addressing? All I know is that this King of Wands, they feel it. They got the Three of Swords. They feel whatever it is. They feel it. So they care, but caring is not enough. I'm so sorry. Somebody got to show some shit. That's the second time, matter of fact, that the Three of Swords came out and it came out in the same line as the Emperor. The first time it came out in the same line. But it went Three of Swords,

22

Ten of Cups

Ten of Cups: **harmony** · **family**

Two of Pentacles, and then the Ten of Cups. So that shows me that the three of sword it affected somebody in a way where they're gonna build into this 10 of cups. It's necessary. So the empress has already said what they gotta say. They already said what they gotta say. And I guess that this king of wands, it may seem like they don't understand or it may seem like it didn't hit them. It may seem like, but I'm telling you, I don't know how or when or it might hit them in their dream. It might be a punch to the face. Some way, somehow, I'm telling you, but they gonna see this shit. They gonna see it, cause it's gonna get to the 10 of cups. It's going to, cause I really do think this emperor cares. I just think maybe they have to work on something. I don't know what the hell it is, but clearly they gotta work on something cause the empress is over it. The empress about to burn it up. That's what I see. That's not a calm energy.

23

Nine of Wands

Nine of Wands: **resilience** · **persistence**

The 9 of wands is not a calm energy. The 9 of wands is like If somebody was waiting for you when you get home, the Nine of Wands is them sitting in the house, waiting for you. Like as if they're your

parent, that's the Nine of Wands waiting. Okay, up on game. They already know what they wanna do. They already feel the energy, okay? It's a controlled anger, cause they sit in there waiting.

24

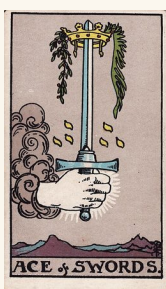

Justice

Justice: truth · accountability

And the justice is still at the bottom. So, and it was right next to the emperor.

25

Ace of Swords

Ace of Swords: clarity · truth

Okay, justice and the ace of sword, it's true. Ah, it's the emperor, it's the emperor. Now, had I not dropped that other card, I wouldn't have even known. I wouldn't have known. The emperor's gonna figure it out, they're gonna know.

26

The Moon

The Moon: hidden influence · illusion

You see this moon? The moon already came out right next to the high priestess. They're gonna figure it out. It must be just something that's buried, something that's just hard to access. I don't know, but they, look, I'm just saying, they know the truth. And it can be all happy. It's not about controlling nobody. It's about being fair, being equal. Like, shit, give some water or something. What is this energy? Yeah, let me get one more, let me see. Let me see, is there anything else? Because I think the message is out there.

27

Nine of Swords

Nine of Swords: anxiety · worry

Yeah, we got the nine of swords. So yeah, it is affecting them. It is affecting, let me see what else goes with the nine of sword. Because they're worried about the shit. they know they got to get it together.

28

Two of Pentacles

Two of Pentacles: balance · juggling

The two of Pentacles came out again. And after the two of Pentacles, it was the 10 of Cups. So they know, they know, they got to build this.

29

Nine of Pentacles

Nine of Pentacles: abundance · independence

Look at this nine of Pentacles. They know they got to do what they got to do. And it's the fruits of your labor. You know, it's something here that got to change. Cause I'm telling you, the emperor and the empress are in this reading together. And the empress is over it. Cause they've been doing something a long time,

30

Seven of Pentacles

Seven of Pentacles: patience · investment

seven of Pentacles. And the emperor is the one with justice over here. They got to take accountability, something got to be balanced. If you want, whoever this emperor is, they want the, I mean, whoever the emperor is, they want this emperor is, they gotta fight. They gotta fight for it, I mean, they gotta do what they gotta do. Like it's not just, people not just gonna deal with you. You're supposed to develop in a relationship. You're supposed to ascend in a relationship. You're supposed to do better. You're supposed to want better. If you don't want that, you in the wrong relationship, you wasting somebody's time. I'm just telling you. Cause that's really not, I don't know. People be in relationship for different reasons and I don't know that. What's this energy here? And it says power and intention. Yeah, power without intention is chaos. I mean, what do we, you know, somebody got to decide what they're going to do. And it says healing energy.

31

King of Cups

King of Cups: emotional mastery · calm

I told you that that's that king of cups kind of thing. Healing energy. Somebody knows that it's them, they got to work on that. We can't just sit here and act like, oh, this is just me, this is how I am. No, no, no. Not if you want the best, not if you want what you're supposed to have, not if you want to grow, not if you want to ascend, Not if you want your soul to open up. You know, you gotta realize that shit is a pain. That shit is a trauma. That shit is a wound. And the Empress is pointing that shit out because they can't take it no more. So we're gonna step into this healing energy, but I'ma leave it right here. If you liked what I read, please like, share, and subscribe. Thank you so much for your like, shares, and subscribes.
