

They Love You But Their Unhealed Behaviors Are Destroying It

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

22 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **339** spoken beats. The same 22 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

Nine of Wands

resilience persistence

We have the card, the Seven of Pentacles, and The Empress. The card is like she got her guard up. She's not playing. She's ready to fight. She's ready for somebody to cross that boundary. It almost feel like she been waiting a long time. It looked like she been waiting a long time for somebody to try something. Cause this is seven of the Pentacles. They look like somebody been, okay.

02

Seven of Pentacles

patience investment

Cause they've been doing something a long time, the card.

03

The Empress

nurturing abundance

It looked like the card been putting up with something for a long time. She's not dealing with it no more. I don't know who this is, but the card. The card is not playing. The card has been through something for a long time. This to a sword, I believe, I was just about to say, I believe it would save somebody's ass if they just decide not to play with this enemy. It would save somebody's life. And I really believe it's the card.

04

Two of Swords

stalemate indecision

Let me get the rest of this line. What is this energy here? I really feel like whoever the card is, they need to really think about this shit. What is this energy here?

05

The High Priestess

intuition the unseen

intuition and **the unseen**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

06

The Moon

hidden influence illusion

Man, I swear to God, that's it. It seems scary already. It seems scary. You see the card? The card already came out right next to The High Priestess. They're gonna figure it out. It must be just something that's buried, something that's just hard to access. I don't know, but they, look, I'm just saying, they know the truth. And it can be all happy. It's not about controlling nobody. It's about being fair, being equal.

07

Judgement

reckoning awakening

reckoning and **awakening**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

08

Knight of Swords

action haste

It would save somebody a lot of time because that the card, they have they're on a horse. They're going to slice and dice somebody real quick.

09

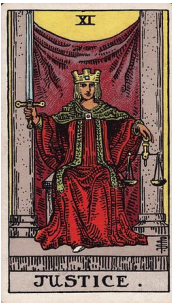

The Emperor

authority structure

I don't even care. I feel like the card need to be careful. If that's the case, let's see what comes out with the card. So it's the card that he better be fair or something. And the card, there has to be something that's balanced there. The card like, okay, the Aries, Libra dynamic, okay. Let's say Aries has to learn how, And I'm not talking about Aries people. I'm just talking about the Aries energy in general can be very selfish.

10

Justice

truth accountability

Let me get something. Libra energy, Aries and Libra opposite signs. What is this energy? It's something that needs to be balanced and the card is right next to The Emperor. So I'm just saying. And then I got another opposite signs. I got Virgo and Pisces. And this The Emperor has the card right next to them. So it's something here where it needs to be balanced. And the card is still at the bottom. And The Emperor is the one with the card over here.

11

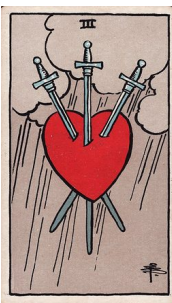

The Chariot

willpower drive

The card, it looked like something that got to be faced in order to move forward.

12

Three of Swords

heartbreak sorrow

We have the card, it's a truth. They feel it. So they care, but caring is not enough. I'm so sorry. Somebody got to show some shit. That's the second time, matter of fact, that the card came out and it came out in the same line as The Emperor. The first time it came out in the same line.

13

Two of Pentacles

balance juggling

The card came out again.

14

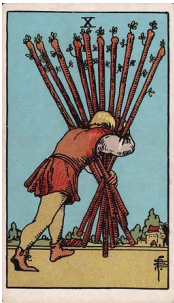

Ten of Cups

harmony family

But it went Three of Swords, Two of Pentacles, and then the card. So that shows me that the three of sword it affected somebody in a way where they're gonna build into the card. It's necessary. They gonna see it, cause it's gonna get to the card. And after the two of Pentacles, it was the card.

15

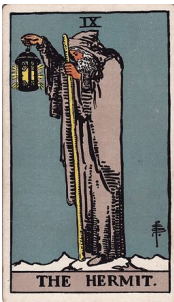

Ten of Wands

burden responsibility

The Empress is at a place where it's not the card, it's not the blow up, but it's the please don't take me there. It's the please understand I'm not feeling it right now.

The Hermit

solitude inner wisdom

solitude and **inner wisdom**. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

17

King of Cups

emotional mastery calm

And then it's the card. The heart, the love, the caring, you know, the affection or showing some shit, you know, even just anything, just showing you care about. So I don't know what the hell it is, but they are realizing, because it's the hangman, The Hermit, and then the card. They're realizing that's the problem right there. It's their card energy. It's their emotions.

18

King of Wands

vision leadership

Somebody got to take accountability you can't just be like well that's how you feel no that's some real airy shit to say you know that's real selfish you can't be like that okay what is this energy let me get something here do i need not only want to clarify nothing what is this energy here we have the card energy okay the card fire energy again what is this energy here we have the three of sword so it's hitting them it is and that's necessary do you know.

So yeah, it is affecting them. It is affecting, let me see what else goes with the card. Because they're worried about the shit. They know they got to get it together.

22

Nine of Pentacles

abundance independence

They know they got to do what they got to do. And it's the fruits of your labor. You know, it's something here that got to change.
