They could be scared of failure. Like the king of wands is scared of failure. They're scared of not winning. But if you're chosen to do it, you're going to win. King of Pentacles: **success** · **stability**

We have the King of Pentacles. Somebody's focused on their money. Somebody's focused on their resources. And there's nothing they can say to get this page of wands or this king of wands out of their path. It literally looks like the energy walked right past this Empress. They just walked right past them because that's not a real Empress. It's like I don't know how to explain that. It's like naturally I just feel like something how can I say this. Sometimes your spirits just lead you the right way. Like sometimes for other people, their eyes may deceive them, but for whoever I'm doing this reading for, your spirits did not even let you stop and smell the coffee. They didn't even let you stop and do anything. Like that was a straight up strategy. It may not have a look like it. It may not have appeared to be that, but that was someone with a plan. The Seven of Pentacles So Anisei This is a Firesign Feminine That has been trying to do something for a while They've been putting a lot of energy in. Yeah, yeah. They need to stop. What you're going to attract is going to naturally come to you. You don't have to do all that. You don't ever have to do all that. So if you got to do all that, I don't know. I'm just saying. But it's a whole other thing to be to come out as something completely different. Something where you lost something. Perhaps in order to go through this transformation. So where are they? That damn demon in disguise. They don't have no claim to nothing. I know that's what they're trying to get.

to do. They know what they got to do. But we have the eight of pentacles, possibly perfecting

---

48

## Queen of Cups

Queen of Cups: compassion · empathy

something on their own, or perfecting something with a queen of cups, somebody that actually loves them. Perfecting something with that energy, but not with that fake ass empress. I'm so sorry. That's not an Empress. Whoever that is, they're just a distraction. I can see. They're... just a demon. The one you're with. They will not be a distraction. They will not be a hindrance to you. They will help you. They will grow you. They will evolve you. All of that. This right here is some other, and I'm telling you, I feel like whoever I'm doing this reading for. I don't know if you could see through it, because if you can't see through it, it may have failed. And you may not even know why. But if you can see through it, you know exactly why it happened. Because it had to fail. That wasn't the right one. That wasn't the Empress right there. That was some type of demon. Or some so, you got to whoever this reading is for. It's so that you put all of your energy into what you love. Or who you love. And perfect that. Thirteen. Thirteen on the clock. Perfect. That instead of trying to get with this damn demon in disguise. Well. But I think somebody already know that. Like light. It's an energy of like. This is just a clarification. A confirmation for somebody. Don't fight for the one that is the damn hindrance getting in your damn way harming you. If it's not working. Ah. Ehh. If it's not flowing. If it's not a. If the energy is not flowing, all of these things matter. I know many things matter. God will show you.

---

50

## The Star

The Star: hope · renewal

And we have the star. Yeah. It's something about wishing. I see this page of cups. I feel like they're wishing on a star here. They're wishing on something. There's something here that this King of Wands is meant for. Whether I guess it could be love in this reading. It could be love. I know. It could be love. They're meant for it. And when you know, that's not it. You have to accept that so that you can open a new door. When you know, you deserve it. When you know you work for it. When you know. Because everybody might not know it's between you and God eyes if you know you did the right thing But you know you deserve it, so I'm telling you if somebody don't deal with them demons and trying to distract you trying to get in your way Playing games, and I don't know what they might do they get in close and then they start that

---

51

This King of Wands is planning how they're going to do something. and it has nothing to do with that demon it has nothing to do with them and them trying to pull a latch what is yours going naturally attract it's natural where it's naturally going to happen you got to do all that I'm just being honest I let me get an angel message here oh it says do the work It says do the work.
