

Chiron Intuition Tarot Reading

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

38 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **365** spoken beats. The same 38 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

King of Wands

vision leadership

Fire. Sign energy. It looks like the card they're elevating. They realize what they want. They realize what they want as far as desire and as far as love. It's something here where they're going deeper. There. They're going deeper in some type of connection. Although they are going deeper emotionally or spiritually. They're choosing what they want consciously. Ah. Ah. They have a passion for something. They have a drive to go get it.

02

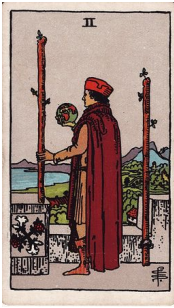

Eight of Cups

What? Is that okay? Fire. I know. Come on. Is that okay? Okay. Somebody's going from the card to the Nine. I see the Nine right there and then.

04

The World

completion cycle closing

No, we have the card. My! I want a knee! Mm- They're ready for the next level. Yeah. The cycle is done. Yeah, like somebody is not even the same. That's one thing for a cycle to close. But it's a whole other thing to be to come out as something completely different. Something where you lost something. Perhaps in order to go through this transformation. So where are they? That damn demon in disguise. They don't have no claim to nothing.

07

Judgement

reckoning awakening

I think it's about making something tangible with this three of Pentacles, and eight of Pentacles and the card being here after The World, and that is just like it.

08

King of Swords

authority truth

What? I'm. My! Okay. I. It looks like it's time to make something a profession. Like it's time to make it expertise because the card knows like their field, like they know the information. They know the rules. They know the laws. They know. And then the card, the last card. It just feels like it's time to make something real.

09

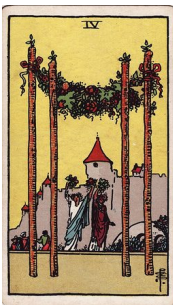

The Devil

bondage attachment

We have the card at the bottom, damn. Now? What is that about? That's definitely an opposing force. I mean, I only seen it at the bottom. I. Ferten. Uldor. Wain te. Wannum de.

I'm doing a l'névale again, a bignon t'auc. That's what I say. That celebration because someone's going to make it. Alp. One gup. Alp. So, it is some type of opposing force that's trying to stand in the way of this kingdom of Wands going deeper into something. But it's not going to be successful, but it is important to be aware. Because there's a resistance.

21

Hey, we got the card here. Me's yo. So what happened? Something really did transform.

22

The Empress

nurturing abundance

Why no, I'll. I'll wire you. There. Coming out as the card. I don't. It looked like somebody just bypassed the card because they know that something is a strategy or is calculated. Yeah. It literally looks like the energy walked right past the card. They just walked right past them because that's not a real the card. It's like I don't know how to explain that. Sometimes your spirits just lead you the right way.

23

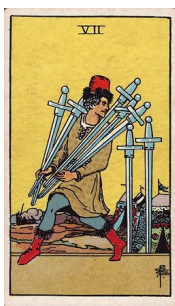

The Chariot

willpower drive

It looks like some type of feminine energy here that's aligning.

24

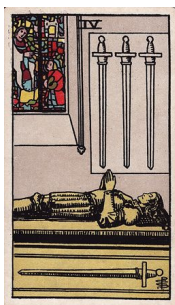

Seven of Swords

deception strategy

I don't like that now. I don't like that with the card. That the card would not have came out like that, if that was the real The Empress, and I had already seen The Devil in the reading. So, well, that's just a little too sneaky for me. I have been waiting, sente.

25

Four of Swords

rest recovery

We have the card and we have the Page of Wands. Somebody being at peace with the direction that they're going.

26

Page of Wands

27

King of Pentacles

Somebody's focused on their money. Somebody's focused on their resources.

The Emperor

authority structure

Why? So they tried The Empress, I think may have tried to lock down the card. And the card kept it moving because they got a plan. And it does not include whoever that is right there. They don't resonate with the card. They shouldn't have to do all that. Let me get another deck.

I feel like they're wishing on a star here. They're wishing on something. Whether I guess it could be love in this reading. It could be love. I know. It could be love. They're meant for it. And when you know, that's not it. You have to accept that so that you can open a new door. When you know, you deserve it. When you know you work for it. When you know. Because everybody might not know it's between you and God eyes if you know you did the right thing.
