

They're Elevating

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

35 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **165** spoken beats. The same 35 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

King of Wands

vision leadership

We have the card, Fire Sign Energy. It looks like the card is elevating. They realize what they want as far as desire and love. They're going deeper emotionally or spiritually. What is this energy? The card has a passion and an unstoppable drive. I know that the card is taking something very seriously. So it is some type of opposing force that's trying to stand in the way of the card going deeper into something. But it's not going to be successful.

02

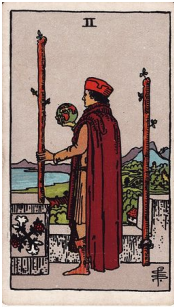

Eight of Cups

walking away seeking

Somebody's going from the card to the Nine. I see the Nine right there.

03

Two of Wands

04

The World

completion cycle closing

They're ready for the next level.

05

Three of Pentacles

09

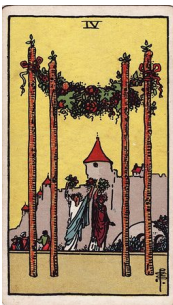

The Devil

bondage attachment

That's definitely an opposing force. What is this energy? I mean, I only seen it at the bottom. So let's see. That's making me feel like that's the card and Disguise right there. The card energy is not going to be a person with that written on their forehead. It's going to be something strategically put there spiritually to stop you, to block you.

10

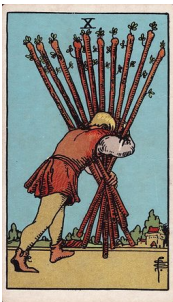

Four of Wands

20

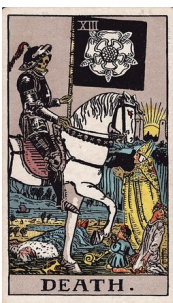

Knight of Cups

It's only showing somebody's identity. This reading is showing that it's time to take it to the next level. You're going to have resistance. But that's natural. It's because you're chosen for something. They got to see you're unstoppable. Okay. We got two cards.

21

Death

endings transformation

endings and transformation. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

22

The Empress

nurturing abundance

The card, they're coming out as the card. It looked like they bypassed the card because they know something is calculated. It literally looks like they walked right past the card. Sometimes your spirits lead you the right way. For whoever this is for, your spirits didn't let you stop and smell the coffee. That was a straight up strategy and you bypassed it.

23

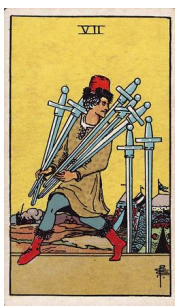

The Chariot

willpower drive

So it looks like some type of feminine energy is aligning.

24

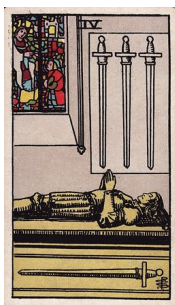

Seven of Swords

I don't like that now. I don't like that with the card. That the card would not have came out if that was the real The Empress.

These two aren't meant to be together and we have the card.

30

Two of Cups

We have the card and the Six of Pentacles. That's a relationship you deserve. It's not this in disguise. This is somebody that deserves the card. This is the Wish.
