HOW TO READ THIS

Every block below is one card moment from the reading. The card art and name are what the reader just turned over; the two bold words are the card's core teaching meaning; the paragraph under it is exactly what she said while that card sat on the board.

01

Knight of Wands, Four of Wands, The Magician

Knight of Wands: **adventure** · **drive**

Four of Wands: **celebration** · **home**

The Magician: **willpower** · **manifestation**

We have the Knight of Wands, we have the Magician, and we have the Four of Wands, so Knight of Wands is getting it done. Knight of Wands is achieving something, they're manifesting something, they're making it real, they're not stopping, they're not quitting. What is this energy? This Knight of Wands is very assertive to get this created. We have the Six of Pinnacles, even to put it out there to receive, there's something this Knight of Wands is very driven, very driven to create this. What is this energy? Like nothing is going to stop this, we have the King of Pinnacles lining up with the Knight of Wands. Yeah, if it's an Earthsign or Virgo Gemini because of the Magician, it's nothing is going to stop this person.

02

Justice

Justice: **truth** · **accountability**

Like you're going to achieve this, what is this? We have the Knight of Pinnacles Justice. Knight of Pinnacles is the Builder, Justice, Libra Energy, and then we have the Two of Cubs, interesting. Two of Cubs, there's some type of relationship also that's going to be manifested, I mean, unless this is about a relationship, I mean, it looks like this Knight of Wands is going to manifest what it is that they want or they're going to bring this in, some way somehow. I thought it was something of material, I mean, because of the Six of Pinnacles and the King of Pinnacles and the Knight of Pinnacles, but Justice and the Two of Cubs, there's going to be a balancing of the relationship, perhaps because of resources or money will be better, something like that. It could be, it doesn't have to be, but I do see these Pinnacles, I can't ignore that, but it did lead to the Cubs, Justice and the Two of Cubs. Like, balancing, maybe even a reflection, like being who you are or something with you and the universe, I don't know, it could be, I mean, simply put, it could also be you and another person, but sometimes it's a little deeper than that. Like, but I know that balance is being manifested within a relationship, I don't know what the relationship is, but it is being manifested, just like these resources.

03

Seven of Wands

Seven of Wands: defense · courage

Oh gosh, why we got the Five of Pinnacles? Come on out. What's this energy? We got the Seven of Wands, like somebody fighting out of poverty or fighting out of lack. We have the Ace of Cubs. So the Ace of Cubs does start there.

04

King of Swords, The Lovers

King of Swords: authority · truth

The Lovers: union · a choice

We have the King of Sword Air Sign. We have the Lovers, Gemini Energy, also Air Sign. What is this energy? We have the Eight of Pinnacles.

05

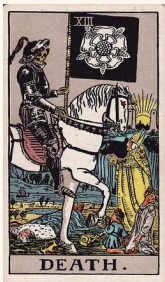

Five of Swords

Five of Swords: **conflict** · **defeat**

And then we have the Five of Sword, why I have to clarify that. I'm glad we have the Ten of Cups at the bottom, no Ten of Pinnacles at the bottom. But why is this Five of Sword here? We have the Seven of Pinnacles. Maybe it's something about how long something takes or how long is going to take. And it's about not giving up. It's about just keep going. King of Sword and the Lovers Energy and the Eight of Pinnacles is someone that's definitely going to perfect some type of union here. And that could have something to do with this two of Cups in the reading. But a person came out of, I don't know if it's poverty, lack, it's something where just a person needed to be repaired or something needed to be repaired. I don't know if it was resources, like it wasn't good, but after justice and then the two of Cups is all balanced. Even the two of Cups is balanced, I mean it's lined up with the Eight of Pinnacles, which is when something has been mastered. What is this energy here? I don't know if the charity is there. So it's just a matter of not quitting. It's a matter of not quitting. It's a matter of don't worry about where you are right now. Like I can't sit here and say don't worry about it, but it's not the end result. It's not you've got to keep fighting. Like anybody with the fire and the passion, they usually make it. They usually make it. Usually known as somebody that don't give up, even if they didn't get all the way there, they don't they don't give up.

06

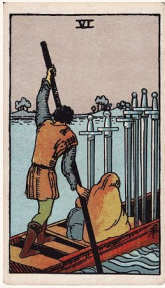

Death

Death: **endings** · **transformation**

And when I say don't get all the way there, literally it has to be like life or death. That's the kind of energy I'm talking about. So if they didn't get all the way there, it's because they didn't survive kind of thing. But this is somebody that's not going to quit night of wands, the magician and the four of wands. They're going to get to that doorway, that right of passage, you're going to get it. What is this? We got the three of Cups energy here. What about this three of Cups? What about this?

07

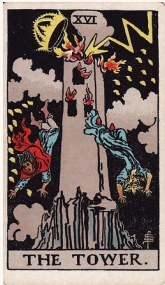

Six of Swords

Six of Swords: transition · moving on

And then we have the six of sword. And it's like I feel like it's celebration. I feel like it's people waiting. Like it's just the right thing to do, the right way to go. Somebody knows what they're passionate about, what they feel. And it's going to lead to the two of Cops is going to lead to balance is going to. But if a person does not be assertive, it's not going to lead anywhere. Like it's very important to have the fire. The fire is very important. It's very important.

08

The Tower

The Tower: sudden upheaval · collapse

Yeah. And then we have the tower and the two of Cops. So the two of Cops could be something that comes out of nowhere. The two of Cops could be something that just magnetizes or attracts to you. Or shows you yourself, it could be yourself could change. Like it's something where if you just keep going, you'll see. That's what it looks like. And I know like I just clarified this fire. So I'm like, okay, so fire was sort of usually when there's like an issue, you know, a disagreement. It's the seven of pinnacles. And the seven of pinnacles is when somebody has to persevere. And that's why I said like it, you know, it may look like it's taken a long time. It looks like you're not seeing the results. It may look like you're not reaping the rewards, but you will. You just got to keep going. You got to keep manifesting. You got to keep pushing. You got to keep trying. That's what the fire is about. I mean, for things that are for you, you know, I'm not saying go and, you know, I'm not even going to say that. But you got to go for the things that's for you. It's not always a person. Like you can't make a person necessarily want you if they don't want you. That's one thing. But I'm talking about like, let's say career, you know, or whatever endeavors that you have, that kind of stuff don't quit. If it means something to you, don't quit. Yeah. What is this energy?

09

Seven of Wands

Seven of Wands: defense · courage

We have the seven of Wands energy. That's the second time I'm getting the seven of Wands. And we have the will of fortune. Now, Sam, look at these right here. Just look at this real quick. That looks like somebody that's fighting for a new opportunity, a new day. Because the will of fortune, they're fighting for just blessings, their karma, but they're standing up to whatever opposition.

10

The Moon, The Sun

The Moon: hidden influence · illusion

The Sun: clarity · joy

That's a full moon or is it the sun? I don't know. I can't tell. But it's out here. And it's behind this fighter. And this fighter is not playing. This is the energy I'm getting in this whole reading. It might not be for everybody. Some people, you know, things may come a little bit more easy. And that's okay. But for whoever this is, if nobody told you, you're going to need to whoops mask to get where you're trying to go. Okay. And to do what you got to do, and you can't be scared, you got to push. You got to push through whatever you got to push through. But the opportunity, the blessings they are there, the fact that the tables can turn. If somebody's prepared for it, it can happen. And it will. As far as this night of Wands, they make it happen.

11

King of Cups

King of Cups: emotional mastery · calm

We have the king of cups, water sign. We have the night of cups. Now, what is this? That's some more like relationship oriented. And then we have the ten of pinnacles here. Now, that could be talking about family, could be talking about business. But it's definitely talking about a lot of resources. It's definitely talking about roots. And that's a hell of a way to go from the five of pinnacles down here. And that's where the seven of Wands was. It's like, I feel like somebody got a fight day

way out of poverty for real. I don't even want to say poverty, but it's something that's not, you know, our health can be in poverty. You get what I'm saying? It's not just the bank account, but I'm just saying, that's, it's somebody fighting out of this and they're using their magic. They're using their abilities. That's, that's what you were given at, so you can fight out of this. It's like, okay, what I want to say is that someone has to know not even discover. I think this has already been discovered. Somebody has to know that that's the thing that's going to take you out of whatever this lack is. That's the thing. Like, I don't want to reach through this campaign grab somebody. That's the thing that's going to take you out of whatever. I don't know what somebody do, but they're good at it.

12

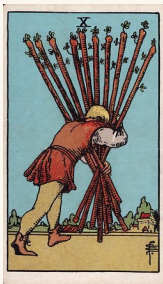

The Magician

The Magician: willpower · manifestation

They are a magician at this. They are passionate about this. And it is going to, that's the only way to get to the doorway. That's the only way. And yes, there will be opposition, but forget them. It don't even matter. It's going to lead man. That should go and balance your life. What is this energy? Like, this is somebody's identity. This is somebody's truth. If God gave you that ability, come on. Forget what somebody's talking about. Forget what somebody's saying. What is this energy? Somebody has magic in their bones.

13

Ten of Wands

Ten of Wands: burden · responsibility

We have the 10 of wands energy. What is this?

14

The Empress

The Empress: nurturing · abundance

Wow, and then we have the Empress. Ten of wands and then the Empress, Taurus, Libra, Energy. Somebody's really trying their hardest to... I don't know if it's about some type of beauty or abundance or... I think I say magnetism before. Because the Empress attracts their abundance. They attract all that. But the 10 of wands is like damn. That's like a lot of energy to put into something. What is this?

15

The Lovers

The Lovers: union · a choice

And then we got the lovers. I'm just saying, like somebody's magic is going to attract a high level lover. It just is. Like the energy somebody puts into this. The Empress is going to be right there and they lovers. I can't even show the cards because these people out here naked. But I'm just saying, what's this energy?

16

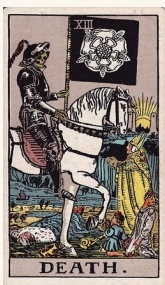

Seven of Cups

Seven of Cups: choices · illusion

We have the 7 of cups.

17

Death

Death: endings · transformation

And we have the death card. Now what is this illusion that's going to die? What is the illusion of poverty probably? I don't know what kind of illusion here.

18

Judgement

Judgement: reckoning · awakening

We got judgment. That's when you answer the calling right there. So this 7 of cups, I don't know what somebody thought or what somebody was seeing or what... You know, sometimes we can see things that we think we see and we're not seeing that. That happens all the time every day. Okay. Whatever a person thought they were seeing or whatever they thought. The fact that you have that magician energy and everybody has it within them. You just got to find it. The fact that you have that and you have tapped into that, this is going to clear out. This is going to all this fog and shit. This is going to clear out. And judgment was right after that. Man, this is... look at this shit right here. And the first card was the night of wands. The night of wands is the night of fire. This is fire. Like I'm telling you, somebody's rising up. Somebody is about to discover that that is your magic. That's what it is. Magic is not always the candle and all that. Okay. The magic within you. The magic within you is going to rise you up. That's why God gave it to you so you could use it. Oh my goodness. What is this energy here?

19

Nine of Swords

Nine of Swords: anxiety · worry

We have the nine of sword. Nothing on the sword. And we got the magician, Lord. Shake it my head. If somebody don't tap into it, I don't know what somebody worried about. You need to stop worrying about it. Because hey, it's going to be the same where it is today. It's going to be that way tomorrow. I'm just being honest, but this is your magic. Okay. I ain't being so serious with somebody because there is people out there y'all can do some shit out here. Y'all can do something. And I don't know what stuff. I don't know what's going on. I don't know. But y'all need to do that. I don't know what scares you. But you need to go on and do it. You need to go on and manifest it. Go on and put it... You know, bring that shit to life. All the way to life. What is this energy? I need an angel message for real. It really is time for somebody to realize that magic. It was meant for you to use it to get where you going. What is this energy here? It says guardian angel. It says ease and grace. And then it says clear cancel and release. Look, that's going to be the end right there. It's not like a closing of a cycle. It says do the work. Just keep doing the work. Look, I don't want to leave this one right here. If you liked what it is, please like, share, and subscribe.
