

YOUR INNER MAGIC

A card-by-card teaching guide to the spread in the video. Read it alongside the reading to learn each card as it lands.

19 cards · up to 10 on screen at once · reading order

HOW TO READ THIS SPREAD

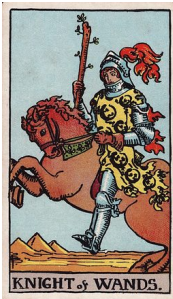

This is a **flowing spread**, not a fixed cross. The reader pulls cards as she speaks, and up to **10** stay on the board at once so a whole thought stays visible before older cards step aside.

Each card below is numbered in the **order it first appears** in the reading. The two highlighted words are the card's core meaning; under them is **what the reader actually said** when she turned that card, taken straight from this reading.

The video placed cards across **238** spoken beats. The same 19 cards, taught one screen at a time, are gathered here so you can study them after the read.

THE CARDS, IN READING ORDER

01

Knight of Wands

adventure drive

We have the card, we have The Magician, and we have the Four of Wands, so the card is getting it done. The card is achieving something, they're manifesting something, they're making it real, they're not stopping, they're not quitting. What is this energy? The card is very assertive to get this created. What is this energy? Like nothing is going to stop this, we have the King of Pinnacles lining up with the card.

02

Four of Wands

celebration home

But this is somebody that's not going to quit night of wands, The Magician and the card. They're going to get to that doorway, that right of passage, you're going to get it. We got the three of Cubs energy here. What about this three of Cubs?

03

The Magician

willpower manifestation

Yeah, if it's an Earthsign or Virgo Gemini because of the card, it's nothing is going to stop this person. The fact that you have that the card energy and everybody has it within them. You just got to find it. The fact that you have that and you have tapped into that, this is going to clear out. This is going to all this fog and shit. This is going to clear out. Shake it my head. If somebody don't tap into it, I don't know what somebody worried about.

04

Justice

truth accountability

We have the Knight of Pinnacles the card. Knight of Pinnacles is the Builder, the card, Libra Energy, and then we have the Two of Cubs, interesting. I thought it was something of material, I mean, because of the Six of Pinnacles and the King of Pinnacles and the Knight of Pinnacles, but the card and the Two of Cubs, there's going to be a balancing of the relationship, perhaps because of resources or money will be better, something like that.

05

Seven of Wands

defense courage

We got the card, like somebody fighting out of poverty or fighting out of lack. We have the Ace of Cubs. So the Ace of Cubs does start there. That's the second time I'm getting the card. And we have the will of fortune. Now, Sam, look at these right here. Just look at this real quick. That looks like somebody that's fighting for a new opportunity, a new day.

06

King of Swords

authority truth

We have the card Air Sign.

07

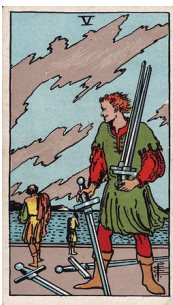

The Lovers

union a choice

We have the card, Gemini Energy, also Air Sign. What is this energy? We have the Eight of Pinnacles. King of Sword and the card Energy and the Eight of Pinnacles is someone that's definitely going to perfect some type of union here. And that could have something to do with this two of Cubs in the reading.

08

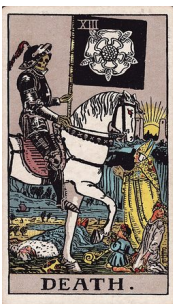

Five of Swords

conflict defeat

And then we have the card, why I have to clarify that. I'm glad we have the Ten of Cups at the bottom, no Ten of Pinnacles at the bottom. We have the Seven of Pinnacles. Maybe it's something about how long something takes or how long is going to take. And it's about not giving up. It's about just keep going.

09

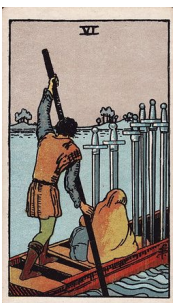

Death

endings transformation

And when I say don't get all the way there, literally it has to be like life or the card. That's the kind of energy I'm talking about. So if they didn't get all the way there, it's because they didn't survive kind of thing. Now what is this illusion that's going to die? What is the illusion of poverty probably? I don't know what kind of illusion here.

10

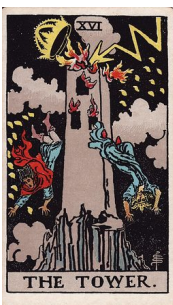

Six of Swords

transition moving on

And it's like I feel like it's celebration. I feel like it's people waiting. Like it's just the right thing to do, the right way to go. Somebody knows what they're passionate about, what they feel. And it's going to lead to the two of Cups is going to lead to balance is going to. But if a person does not be assertive, it's not going to lead anywhere. Like it's very important to have the fire. The fire is very important. It's very important. Yeah.

11

The Tower

sudden upheaval collapse

And then we have the card and the two of Cups. So the two of Cups could be something that comes out of nowhere. The two of Cups could be something that just magnetizes or attracts to you. Or shows you yourself, it could be yourself could change. Like it's something where if you just keep going, you'll see. That's what it looks like. And I know like I just clarified this fire.

12

The Moon

hidden influence illusion

That's a full the card or is it The Sun? I don't know. I can't tell. But it's out here. And it's behind this fighter. And this fighter is not playing. This is the energy I'm getting in this whole reading. It might not be for everybody. Some people, you know, things may come a little bit more easy. And that's okay. But for whoever this is, if nobody told you, you're going to need to whoops mask to get where you're trying to go. Okay.

13

The Sun

clarity joy

clarity and joy. The reader did not dwell on this card; read it by that core meaning where it sits in the spread.

14

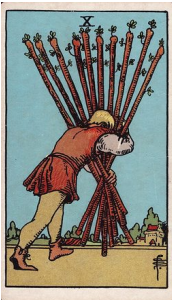

King of Cups

emotional mastery calm

We have the card, water sign. We have the night of cups. That's some more like relationship oriented. And then we have the ten of pinnacles here. Now, that could be talking about family, could be talking about business. But it's definitely talking about a lot of resources. It's definitely talking about roots. And that's a hell of a way to go from the five of pinnacles down here. It's like, I feel like somebody got a fight day way out of poverty for real.

15

Ten of Wands

burden responsibility

That's like a lot of energy to put into something.

16

The Empress

nurturing abundance

Ten of wands and then the card, Taurus, Libra, Energy. Somebody's really trying their hardest to. I say magnetism before. Because the card attracts their abundance. They attract all that. The card is going to be right there and they The Lovers. I can't even show the cards because these people out here naked. But I'm just saying, what's this energy?

17

Seven of Cups

choices illusion

So the card, I don't know what somebody thought or what somebody was seeing or what. You know, sometimes we can see things that we think we see and we're not seeing that. That happens all the time every day. Okay. Whatever a person thought they were seeing or whatever they thought.

18

Judgement

reckoning awakening

That's when you answer the calling right there. And the card was right after that. Look at this shit right here. And the first card was the night of wands. The night of wands is the night of fire. This is fire. Like I'm telling you, somebody's rising up. Somebody is about to discover that is your magic. Magic is not always the candle and all that. Okay. The magic within you. The magic within you is going to rise you up.

19

Nine of Swords

anxiety worry

Nothing on the sword.
