

THEIR SECRET THOUGHTS CHEATSHEET

Chiron voice. What they are secretly thinking about you, and what is driving it underneath.

CUPS

Ace of Cups (*new offering, healing, test, gift*) They see you as the **blessing that showed up after the worst hit** , and they're testing if you'll open the door first.

Two of Cups (*options, karma, mutual connection, truth*) They realize too late you got options and the **karma is hitting** because you started falling for facts, not fantasy.

Three of Cups (*reconciliation, scared, third party, mending*) They want to reconcile, but a **third party got all up in your business** , and they're scared you're too guarded to hear them.

Four of Cups (*rejection, stuck, unbothered, soul tribe*) You ain't afraid of rejection and they can't rattle you, so **not being able to move you** is what keeps them up at night.

Five of Cups (*sadness, trapped, light-stealing, grief*) They want to trap you in sadness and steal your light because **your healing makes their stagnation look worse** .

Six of Cups (*nostalgia, inner child, past connections, deep bonds*) The more they hated on your bond the more you turned it to love, and **something deep keeps calling them back** .

Seven of Cups (*illusion, fantasy, clarity, clouded vision*) Their vision is clouded by the **fantasy they built about you** , and now they gotta forgive themselves for being a dummy.

Eight of Cups (*walking away, intuition, cut off, moving on*) You walked away because you ain't sitting in a pity party, and **they didn't shoot their shot** , so that window is closed.

Nine of Cups (*wish fulfillment, fighting feelings, manifestation, contentment*) People are shocked how you manifest, and they keep running from the truth that **you are the wish, not the obstacle** .

Ten of Cups (*complete connection, soul bond, manifestation, spirit confirmation*) Spirit confirms this as a complete soul bond and they feel it in their bones, but **something this real makes them hesitate** .

Page of Cups (*apology, reaching out, intuition, emotional breakthrough*) Your intuition was never wrong, and now they see **you were loyal the whole time** while their anxiety accused you of lies.

Knight of Cups (*protection, too late, divine protection, options*) They realize too late spirit will bring new love just to prove it, and the **fake love got exposed** when real ones showed up.

Queen of Cups (*grace, gift, acceptance, honesty*) Something about you is a gift and it makes them mad, because **your grace wrecks them** more than the truth they won't tell.

King of Cups (*emotional mastery, old ways, manipulation exposed, fear*) They realize **you see right through the manipulation** , and fear has them building scenarios about you that ain't even real.

SWORDS

Ace of Swords (*clarity, cutting through, shock, truth arriving*) The truth just cut through every lie they built, and they **can't outrun what they know** about you no matter how they try.

Two of Swords (*indecision, standoff, wanting, protecting the door*) They see something they want in you but know they'd be crossing a line, **stuck between what they feel and what feels safe** .

Three of Swords (*truth about a partnership, can't stay quiet, heartbreak, hidden*) There's a **truth about your connection they can't stay quiet on** , and sitting on it hoping it goes away ain't working.

Four of Swords (*peace, maintaining vibration, stillness, surrender*) You hold your vibration no matter what they throw, and **they can't figure out how you stay at peace** while they lose it.

Five of Swords (*envy, jealousy, attachments falling, starting over*) Their stories don't add up, and **your energy brings their hidden envy to the surface** where that mask fell clean off.

Six of Swords (*moving on, walking away, realized too late, exiled*) They never actually had you, and now they watch you move on because **you got exiled only to become the king or queen** .

Seven of Swords (*stalking, sneaking, caught looking, healing vibe*) People are noticing **them stalking your pages** , and your healing vibe pulls them back every time even when they fight it.

Eight of Swords (*trapped, mental prison, can't move, elevated perspective*) They're stuck and don't know why while you see from higher up, **trapped in a self-imposed prison** watching you rise.

Nine of Swords (*worried, anxiety, looping thoughts, options*) They know you got options and **that anxiety loops on repeat** , because their jealousy runs deep enough to steal their sleep.

Ten of Swords (*cut off, betrayal, detachment, no celebration*) You retracted everything and it was done, and the **communication got cut completely** with no lying and no coming back.

Page of Swords (*new perspective, loyalty doubted, potential, waves in happiness*) They see now **your loyalty was never the problem** , and they wanted to make waves in your happiness because life comes easy to you.

Knight of Swords (*hiding something, not completely honest, rushing, eating them up*) They ain't being honest about something and **it's eating them alive** , but you're going to keep rising no matter what they hide.

Queen of Swords (*cannot be manipulated, cut them off, see right through, boss*) **You cannot be manipulated, period** , and they think you're naive but you clock every move while they watch you thrive.

King of Swords (*too intelligent, reverse Uno, cold, trying to get in your head*) The reverse **Uno is you're way too intelligent for their games** , and they can't stand that the chaos didn't work on you.

WANDS

Ace of Wands (*activation, impulse, can't even explain it, something got activated*) **Something got activated in them about you** they can't explain, and your energy changed the whole direction they wanted.

Two of Wands (*planning, barrier, moving forward, two people attracted*) They're planning to move forward with you on their mind, but people are noticing the **jealousy and envy driving their plans** .

Three of Wands (*watching from a distance, leaving, exploring, anticipating a shift*) They're watching you from a distance, locked in and **waiting for the right moment** , because you represent the next level.

Four of Wands (*foundation, joining energies, celebration, loyalty*) They want to build a strong foundation with you, but **they can't come at you sideways** because you read character too well.

Five of Wands (*competition, conflict, one-sided rivalry, blocking out drama*) You're good at blocking out conflict and drama, and **this is a one-sided competition** they entered while you never stepped in.

Six of Wands (*victory, confidence, magnetism, successfully overcome*) They want your aura and magnetism because you came out victorious, and **even exhausted you carry more authority** than their best.

Seven of Wands (*defending, protecting, holding your ground, fighting against challengers*) You're protecting something before it's depleted, so **they want everybody coming after you** while they sit back relishing it.

Eight of Wands (*focused on a target, rapid movement, sparking conversation, looking you up*) Their energy comes right at you like a target, because **they know the window shuts if they don't act** , and the urgency drives them.

Nine of Wands (*guard up, still standing, protecting the doorway, perseverance*) You're still standing no matter what they throw, and **they know you see their move coming** before they even step to you.

Ten of Wands (*burden, carrying silently, destructive attraction, toxicity*) They've been **carrying it about you silently** and the attraction is almost unhealthy, but they won't face that truth yet.

Page of Wands (*preparing, going a different direction, immature energy, holding on*) They'd never normally move based on a relationship, but **your pull has them considering moves** they never thought they'd make.

Knight of Wands (*something ain't right, charging forward, lusty energy, can't hold back*) They can't hold it in and want to charge forward, but **something ain't right with that lusty energy** and you see through it.

Queen of Wands (*confident, intimidating, can't manipulate, rushing the process*) **They cannot manipulate you and that intimidates them** , so they lie and hide, but your fire burns right through the deception.

King of Wands (*fire sign, taking the lead, face value, truth and evidence*) You take people at face value now, watching actions not words, and **they see the evidence but can't accept it** so easy.

PENTACLES

Ace of Pentacles (*new opportunity, contract, manifestation, seed planted*) They're thinking about making something real with you, and **they're scared speaking it out loud** means they can't take it back.

Two of Pentacles (*balance, juggling, building, finding equilibrium*) They're trying to keep balance around you and keep building, but **they're terrified one wrong move tips the whole thing over** .

Three of Pentacles (*triangulation, collaboration destroyed, left out, choosing yourself*) They're trying to triangulate your situation, but **they can't accept you chose yourself** over their little scheme.

Four of Pentacles (*holding on, can't let go, future faking, protecting energy*) They're holding tight to a **version of you that doesn't exist** , and they realize too late they can't future fake you.

Five of Pentacles (*lack, patience, delayed gratification, unbothered*) They expected you stressed and depleted, but **you lack nothing** because you matured past where their little games can touch you.

Six of Pentacles (*fair exchange, honesty, getting what you deserve, reciprocity*) They're trying to knock you off balance, but **whatever's hidden got to come to light** , and the imbalance keeps them up at night.

Seven of Pentacles (*patience, reaping what you sow, karma, one step ahead*) **You're always one step ahead** , and the masks fall off around you because you pull something out of them they can't control.

Eight of Pentacles (*mastery, skilled, boundaries, not chasing*) They see you as skilled and not chasing, and **they hate that you mastered** the very thing they thought would be your weakness.

Nine of Pentacles (*independence, abundance, God's in your corner, holding your own*) You're doing just fine without them and **God's in your corner** , and you worked your ass off for freedom they thought was easy.

Ten of Pentacles (*legacy, generational curses broken, wanting what you have, protecting peace*) They want your mentality and resilience because **you broke generational curses** they still can't break free from.

Page of Pentacles (*planting seeds, wanting to make it real, character speaks, practical action*) They're trying to get inside your head but **your character speaks volumes** , and they want to act real but don't know where to start.

Knight of Pentacles (*endurance, long-term, determination, do something about it*) They want to offer endurance and determination no matter how long it takes, but the **question is whether they earned it** .

Queen of Pentacles (*going deeper, choosing themselves, scared it's real, manifestation*) They're choosing to go deeper, but **they're scared this is actually real** because of things that happened to them before.

King of Pentacles (*aligned, knows what they want, resources, leader energy*) They see you in a leader role running your own thing, and **your King energy exposes everything** without you even trying.

MAJOR ARCANA

The Fool (*new beginning, divine timing, energy can't be destroyed, fighting feelings*) They can't predict your next move and they sense divine timing on you, **making them question every safe choice** they made.

The Magician (*manifestation, self-assured, magnetic, organized, speaking into existence*) **You're self-assured in a way that ain't normal** , and they've watched you speak things into existence then act like it's nothing.

The High Priestess (*psychic, intuition, confirmation, red flags, reading energy*) You know what you shouldn't know, your intuition clocked them before they moved, and the **silence you carry is louder** than anything.

The Empress (*magnetic, secret admirers, winning energy, unstoppable, minds racing*) They're secretly thinking how do I become like them, because **you make people's minds race** and they can't figure out how.

The Emperor (*Aries, initiative, authority, spells backfiring, defamation falling*) **Their spells are backfiring right in their face** , and they're trying defamation of character but they ain't got no proof.

The Hierophant (*tradition, belief systems, skilled, competition, rebelling*) You're skilled at what you do, and they rebel against the status quo because **you made them question their whole belief system** .

The Lovers (*choice, duality, oath, fear of choosing, obsession disguised as love*) They're thinking about taking an oath with you, but **genuine attraction crossed into obsession disguised as love** .

The Chariot (*destiny, moving forward, blocking quickly, no time for nonsense*) You block people real quick, and **your belief the plan will find you** without chasing is undeniable destiny energy.

Strength (*courage, overcoming, prioritizing self, inner strength, breaking out of trauma*) You prioritize yourself in hard times, and they can't get their way no matter what because **your inner courage can't be matched** .

The Hermit (*Virgo energy, wisdom, psychic knowing, solitude, detachment*) You're wise as hell and don't stay stuck long, because **you let confusion bring clarity** while they wonder how you found the answer.

Wheel of Fortune (*turning in your favor, luck, good fortune, lessons learned*) You're attracting good luck and fortune because **you gave in to your soul** and they gave in to sabotage, and that's the difference.

Justice (*balance, truth revealed, toxic situations, ease and flow, third parties exposed*) You move out of toxic situations with ease and flow, and **third parties are getting exposed** because justice don't miss.

The Hanged Man (*perspective, surrender, seeing differently, peeping the truth*) You see the words that were never spoken, and **they are done waiting, caps lock done** , because they surrendered old beliefs for you.

Death (*regeneration, shocked, rebirth, shedding, lotus flower*) People are shocked at your regeneration because **you grow off death and decay like a lotus** , turning rot into power.

Temperance (*alchemy, Sagittarius, balance, creating opportunities, staying on path*) **You alchemize everything they send into opportunities** , and ain't nobody care what they say because you are the master.

The Devil (*lust, attachment, energy siphoning, playing with fire, ancient energy*) They want that attachment and energy siphoning, but **you recognize the Devil in a different meat suit** , same energy new person.

The Tower (*sudden change, manifestation, humiliation backfiring, unexpected miracles*) One action is about to change everything, and **whatever they tried to discredit ends in backfire** , that's structural and promised.

The Star (*purpose, divine mission, sacred sight, specific skills, healing*) Spirit sends you on specific missions, and **you're so out of this world you see what's happening** while they stay blind.

The Moon (*psychic sight, seeing through the dark, subconscious fears, navigating deception*) **You're insanely psychic and see through the dark** , and things are moving faster than they planned with nothing to slow it down.

The Sun (*spotlight, all eyes on you, undeniable, keys, always winning*) You get what you want all the time and **your talent is undeniable** , with the Sun out twice meaning maximum confirmation.

Judgement (*reckoning, accountability, manipulation failing, too little too late, karma*) They realize too late the fantasy is over, and **what they did many times is coming back around** , because the judgment is theirs.

The World (*completion, closing the cycle, Saturn, intellectual richness, shock*) People saw you online and they're just shook, because **you carry intellectual richness they never expected** , mastery from Saturn.
